

CAMP ROTARY

PARTICIPATION & VISITATION POLICY

Due to the abuse of Camp Rotary visitation and participation practices in the past, the camp finds itself needing to reevaluate and strengthen its policy as it pertains to people utilizing the facilities as well as their participation in camp programs.

Beginning as of July 18, 2004 - if you wish to be on the property of Camp Rotary for any reason, you must check in to the Camp Office and register with the office clerk. You will be issued a visitor bracelet if it is appropriate for you to be here. If you are to participate in programs while here, and or eat meals while here, you will receive the appropriate wristband, and this will be your meal ticket as well as your proof of participation approval.

Adults and Youth!

Without the camp wristband, you will not be allowed inside the Central Dining Facility during meals.

Without the camp wristband, you will not be allowed to participate in any program features of the camp.

Wristbands will be issued to all paid participants on the units roster (adult & youth) which was presented to the office clerk during check in. Additions to that roster will be approved by the Scoutmaster, and this will be done at the office only.

Admittance will be denied to all who do not show the proper wrist band in order to take part in Camp Rotary Programs.
