CAMP ROTARY

Celebrating 87 Years of Camping Excellence

Located in the central part of Michigan's lower peninsula, Camp Rotary has one of our country's clearest spring-fed lakes, scenic rolling hills and fragrant pine trees, making it one of the most beautiful camps in the country. With over 1,100 acres and abundant natural resources, Camp Rotary is able to offer a wide variety of programs and welcomes Scout Troops from several states each summer. Camp Rotary boasts perhaps the most beautiful waterfront of any Scout camp and has wonderful programs for older Scouts and first year campers alike. Always one of the most popular areas in camp is the dining hall where tasty, well-balanced meals are served family style. Premiere Shooting Sports Ranges, COPE, Climbing/Rappelling, a Family Carnival and modern shower houses make Rotary an ideal camp for any Troop.
