

The Good Scout Award

Returning to Camp Rotary this year is the presentation of the Good Scout Award. This award is handed out to youth campers who go above and beyond what is required of them. These Scouts live the Scout Oath and Law to the key, and therefore should be recognized for their efforts. There are no guidelines as to what a scout has to do to earn this award. Each of our area directors have been given a certain amount of awards to hand out, should they see a Scout who deserves it. Scouts should **NOT** seek to earn this award, but should go about their everyday tasks, and, should we see something worthy of recognition, we will give them the award. Scouts who earn the Good Scout Award will be recognized at closing colors on Friday.
