

Camp Rotary

Your Summer Camp Order of the Arrow Program

In a better effort to promote our Order of the Arrow program to our campers, Mischigonong Lodge #89, in conjunction with Camp Rotary, will be providing various programs throughout the week. We ask that you please take part in these events, so as to share in the friendship and fellowship that our Order has been founded upon.

Unit Elections

Unit Elections will be conducted Monday through Thursday for all IN COUNCIL troops. Troops are eligible to hold an election IF they HAVE NOT held an election within the past year. Each troop is encouraged to nominate eligible youth and one deserving adult for election. To set up a unit election, please see the Summer Camp OA Chief NO LATER than Monday dinner.

To be eligible for the Order of the Arrow, Scouts/Scouters MUST meet the following

Requirements:

(1) Be an active registered member of the BSA, (2) Be under the age of 21 at the time of election, (3) Be at least a First Class Scout, (3) Have completed 15 days & nights of Boy Scout troop camping during the 2-year period prior to the election. This must include one long-term camp of six consecutive days. The 15 days cannot include 2 weeks of summer camp - only one counts; the rest must be overnight, weekend, or other BSA-approved camping experiences. (4) Have unit leader approval.

Ice Cream Social

Whether in or out of council, join the brothers of Mischigonong Lodge on Monday night for an evening fellowship. Bring your patches to trade, your cards to play, and your stories to tell. We provide the ice cream and all of the toppings; you provide the fun and insight. This is a great way to network between lodges, and to swap ideas to take back home to your lodges. Make sure to wear your OA sash to this event!

OA Day

Friday is OA day at Camp Rotary. All those campers who have been inducted into the Order of the Arrow are encouraged to wear their sashes while in their field uniforms (Class A). A select few members will be asked to participate in the closing flag ceremony. An informational flier for all those not inducted into the Order will be handed out at dinner.

We look forward to your participation and look forward to your continued support of the summer camping program!
